PROFESSIONAL SUMMARY

Marketing professional with an MSc from the University of Liverpool and a technical foundation in computer science. I bring a natural fluency across both creative execution and data analysis, developed over two years delivering integrated campaigns at scale across global markets. I've worked across financial services and the entertainment industry, giving me the ability to adapt quickly to new brands and audiences.

1M+ impressions at Mphasis	20+ Campaigns managed per month	500K+ Impressions generated	3 Markets: EU · US · India

WORK EXPERIENCE

Mphasis - Marketing Executive

Aug 2025 – Present · Bengaluru, India

- ▶ Drove 20+ monthly integrated campaigns from brief to live across LinkedIn, Meta & X, orchestrating creative and media teams across EU, US and Middle Eastern markets.
- ▶ Optimised paid and organic targeting strategies that scaled reach to 1M+ impressions across priority regions, contributing directly to funnel pipeline growth.
- ▶ Maintained full campaign documentation across briefs, asset reviews, approval logs and delivery timelines, ensuring accountability and consistency across global markets and cross-functional teams.

Airbus - Digital Content Intern

May – Aug 2025 · Bengaluru, India

- ▶ Produced on-brand content and executive-level presentations for internal product and innovation campaigns, ensuring strict adherence to Airbus visual identity guidelines throughout.
- ▶ Designed and launched a branded digital workspace in Figma and Notion; owned the multi-stakeholder approval workflow, reducing asset revision cycles across departments.

ICICI Prudential Life Insurance - Social Media Marketing Intern

Jan – May 2025 · Mumbai, India

- ▶ Conducted a full competitor landscape analysis, translated findings into a strategic content roadmap and presented recommendations to senior stakeholders that directly shaped Q2 strategy.
- ▶ Designed and executed a 3-month cross-platform content calendar ensuring brand messaging consistency; campaigns reached 500K+ impressions across Instagram, LinkedIn and Meta.

Transform Your Performance - Social Media Marketing Intern (Freelance)

Jan – Mar 2025 · Remote

- ▶ Built the brand's Instagram presence from scratch — scripted and edited Reels that measurably grew follower count within 90 days; ran outreach campaigns that contributed to new client acquisition.

Harmonia Productions - Digital Marketing Intern (Freelance)

Sep 2024 – Apr 2025 · Brighton, UK

- ▶ Managed full social media presence for multiple artists across Instagram, Meta & X; produced TikTok and short-form video content for album launches using competitor gap analysis to inform creative strategy.
